### "Take A Chance"

Visit "[Take A Chance](#)" on MotoLyrics.com

(Kerry A. Ashby, Benny C. Medina)

baby, you might wonder why (why)  
why I've been looking, yeah  
deep into your eyes (eyes)  
my heart's on fire, well  
burning with delight  
I feel like I'm faling in love  
oh, love at first sight  
so come on, boy

[Chorus:]

(take a chance, yeah)  
if you want a lot of loving  
(you've got to take a chance, yeah)  
take a chance on me, woh!  
baby, I'm feeling really fine (fine)  
'cause I've been dreaming, yeah  
someday that you'll be mine (mine)  
I've got this feeling, yeah  
that's giving me a sign  
I feel like I'm falling in love  
that's the bottom line  
so come on, boy

[chorus]

I'm feelin' fine, gonna make you mine  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
you ain't blind, stop wasting time  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
I'm burnin', burnin' with delight  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
make me yours tonight

[guitar solo]

take a chance  
you've got to take a chance  
(are you gonna, are you gonna) mm  
(do you wanna, do you wanna take a chance)  
I've got what you need  
(are you gonna, are you gonna)

(do you wanna, do you wanna take a chance)  
I am guaranteed  
(are you gonna, are you gonna)  
(do you wanna, do you wanna take a chance)  
now baby, I won't tease (tell me, huh)  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
I'm-a here to please  
take a chance  
you've got to take a chance, yeah, oh  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
you ain't blind, you know I'm fine  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
stop wasting time, make up your mind  
(are you gonna, are you gonna)  
(do you wanna, do you wanna)  
I'm burnin', burnin' with delight (tell me)  
(are you gonna, are you gonna) ooh  
(do you wanna, do you wanna)  
(come on, boy)  
make me yours tonight
