(D. Augustus, L. Evans, M. Augustus)  
now I'm sure that all of us at some night  
has experienced the pain of losing that special  
someone  
but I wanna tell you that whoever it was it said,  
"time heals all wounds"  
ah, you were so right, especially if you're lucky enough  
to find someone to see you through  
had a dream one night, I woke up in fright  
remembering how I discovered  
that you had another lover  
letting go all my pride, showed you how I felt inside  
begging you to stay with me  
but you, you wanted to be set free  
then you said you were leaving  
'cause you had no feeling  
turned your back to my pleading  
another arms you are needing  
[Chorus:]  
it's too late, the damage is done  
you proved to me you're not the one  
it's too late, my tears are dry  
no more to say except goodbye  
it's too late, it's too late  
the damage is done  
never thought I would  
never thought I could get over the pain  
but I did, now here you come again  
telling me you were wrong  
telling me you wanna come back home  
but baby you were gone  
just so where we've bee too long  
you gave me time to discover  
found myself a brand new lover  
our world was made for two  
and this love ain't no room for you  
[chorus]  
oh now baby, whoo  
now let me tell you something, darling  
I don't wanna do a lot of talkin'  
but I told you the day would come

when I found myself a brand new lover  
listen, it's too late for you to come back home  
you see, you hurt me too bad  
I gave you my love, I trusted you  
I gave you the chance  
but all you did was abusin' and misusin'  
but darlin' let me tell you something  
don't come crawlin'  
don't come knockin' on my door 'cause it's over  
ah what goes around comes around, baby  
but this time you came around just a little too late

[repeat chorus (ad-lib) to fade]
