(Berry Gordy, Angelo Bond, William Weatherspoon)

I've got the wrong man  
With the right touch  
I've got the wrong man  
With the right touch

I've got the wrong man  
Ooowee, but he's got the right touch  
I've got the wrong man  
Ooowee, but he's got the right touch

I'm just his play toy  
His plaything  
He's got a hold on my loving  
That I can't explain  
He takes me high  
And then he let's me down  
He tells me lies  
But still I hang around

I'm such a fool  
He's broken every rule  
How should I know  
Oh, I know I'm so uncool  
He treats me bad  
But when I'm in his arms  
He knows just what to do

I've got the wrong man  
With the right touch  
I've got the wrong man  
Ooowee, but he's got the right touch

I've got the wrong man  
With the right touch  
I've got the wrong man  
Ooowee, but he's got the right touch  
Ooh, sure nuff got the right touch  
I've got the wrong man  
With the right touch

I've got the wrong man  
Oo wee, but he's got the right touch  
Sure nuff got the right touch

[Instrumental break]

His good lovin' (good lovin')  
Has gone through my mind, yeah (good lovin')  
I try my best to leave him (good lovin')  
A thousand times

I asked myself  
How can I take and take  
He's got the spell  
Ooh, no other man can break  
His loving wings just won't set me free  
He's got a hold on me

I've got the wrong man  
With the right touch  
I've got the wrong man  
Oo wee, but he's got the right touch  
Oh, he's got the right touch  
(I've got the wrong man)  
Well, he sure do got the right touch  
(With the right touch)  
Oh, he's got the right touch  
(I've got the wrong man) yeah  
(Oo wee, but he's got) he's got the right touch  
(The right touch) and I love him  
(Ooh, he's got the right touch) love him, love him, yeah  
(I've got the wrong man)  
(Ooh, he's got the right touch)  
I know he's got the right touch (ooh, he's got the right touch)  
Oh well, he's got the right touch, yeah  
(Ooh, he's got the right touch)  
Come on, come on, come on  
Come on

Ooh, he's got the right touch  
(I've got the wrong man)  
Well, he sure do got the right touch  
(With the right touch)  
(Ooh, he's got the right touch) ooh  
(I've got the wrong man)
