(Al Willis, Troy Laws)  
you captured my heart, well  
the moment you walked into the room  
mm-hmm, by looking your direction  
love and affection (love and affection)  
has started to bloom, mm-hmm  
helplessly I fell under your magic spell  
look into the world I never knew before, ooh  
just one look at you and all at once I knew  
that you were my dream come true  
the one I've always waited for  
hey, you kissed me with your smile  
I melted my defenses  
you touched me with your eyes  
exciting (exciting) of all my senses  
(your love captured my heart, ooh)  
you captured my heart, well  
the moment you turned to say hello  
ooh, and you just don't know  
you've cast your spell upon me  
until it was on me from head to toe  
oh oh oh  
caught up in a trance (bewitched)  
bewitched by your charms  
somehow, boy, you took control of me  
you got me (yearnin' for your love)  
ooh, deceived by desire  
too late to fight the fire  
burnin' up inside of me, ooh  
you looked into my eyes  
I was hypnotized  
before I realize  
your love has took me by surprise  
(your love captured my heart, ooh)  
ooh, yeah  
maybe it's the way, boy  
you carry yourself this way 'cause  
you got a way with me like nobody else  
helplessly I fell  
under your magic spell  
(your love) your love, baby

(has captured my heart)  
the moment you turned to say hello  
love begin to flow (oh you, you, you)  
I wanna tell you  
(your love) captured my heart  
the moment you walked into the room  
you know (oh you, you, you)  
you make my whole life bloom  
ooh, ooh oh (oh you, you, you)  
(your love) oh, your love  
(has captured my heart)  
oh, how did you do it  
(whoa whoa whoa whoa)
