Don't wanna be no superstar  
Don't wanna be no jon bon jovi  
I only wore my leathers once  
But i was drunk.....  
And that's another story  
Don't wanna go on mtv  
I don't wanna be another rock singer  
But i'll take that limosine  
And diamond rings to put on every finger!

Don't wanna be no washed p hippy  
Don't wanna be a butt-sucking sellout  
After every tour, i'm in betty ford  
Hangin' with the guys  
And tryin' to get the hell out  
Don't wanna be no metal hero  
Don't wanna have a laser light show  
And when i've gone as far as i can go  
I'll quit the band and go solo!

Don't wanna be no jon bon jovi  
Grow my hair down to my buttcheeks  
Don't wanna be no jon bon jovi  
Wearing leather pants on mtv.....
