i realize i'm hungry  
i recognize the pain in my gut  
i don't know where it comes from  
or what i'm gonna do about it  
this little pain inside mt tiny tummy  
soulplantation, fosters freeze  
in-n-out, or chuck e. cheese  
burger king, or tace bell  
all these resturants sound so swell  
that's what i'm gonna do about it  
this little pain inside my tiny tummy  
hamburger helper on those days  
when i sit at home  
and fucking laze  
and when my budget is kinda low  
there's only so many good places to go  
that's what i'm gonna do about it  
this little pain inside my tiny tummy
