Reptile race crossbred down
Through the golden age, human haze
Lemurian throne taken and usurped
By the alien drones, controlled and honed

Atlantian keys sunken and destroyed
By catastrophe, left wandering
Bloodline kings slither down
Through society's reptoid dreams

Cataclysm to the elder tribes
Anunnaki have survived
Continents underwater shrine
Ocean vaults holding time

Say ye grace unto the serpent line
Unveil curses and their lies
Contemplate the lengths, they'll go to rule
As there fangs dig into you

Cataclysm to the elder tribes
Anunnaki have survived
Continents underwater shrine
Ocean vaults holding time

Say ye grace unto the serpent line
Unveil curses and their lies
Contemplate the lengths, they'll go to rule
As there fangs dig into you
