The site of lost horizons  
Dominions seek to resurrect a god  
The graves hold arcane mysteries  
Various swamps hide terrible catacombs

The circle of redeemers  
The pact is made with human sacrifice  
Under storm filled skies  
Behemoth of the sea awakes, arise

Tremble at the horror in which it writhes  
Once they behold and unearth the titans might  
Faithful servants pay its ghastly price  
Slithering, blasphemous, curse upon all life

Death is this communion  
Now, you realize  
Death is this communion  
Now, you realize

Death is this communion  
Now, you realize  
Death is this communion
