Dream being thrown down aloft between from the icy
sky

Careful what to seek for inside the frozen mind
Permaglaze reflects this world distant to the thawed
life

Frost clan blows the war horn without a fear or guise

Messiah of the glacial heir cold born to rise
Sullen boots impact upon deep the tundra ice
Glorify your greatness, sealed deal cold compromise
Catch the sun to melt these forbore galactic eyes

Plateau of Leng

Winter in veins Hammers arise

To melt through the ice

Dream being thrown down aloft from the icy sky

Careful what to seek for inside the frozen mind
Permaglaze reflects this world distant to the thawed
life

Frost clan blows the war horn without a fear or guise

Messiah of the glacial heir cold born to rise

Sullen boots impact upon deep the tundra ice

Glorify your greatness, sealed deal cold compromise

Catch the sun to melt these forbore galactic eyes

Plateau of Leng

Winter in veins

Hammers arise

To melt through the ice

Sail the seas of endless night

Despotic warlord casts his blight

Sons of the north abide

Frost child of abhorrent line

Feed the serpent, drink the wine

Granite heart, unrepentant

Frost Hammer

Frost Hammer

Frost Hammer

Frost Hammer

Plateau of Leng
Winter in veins
Hammers arise
To melt through the ice

Frost Hammer
