Geminis suckled of the wolf
The milk that's drank will be withstood
Rome shall be
The royal blood in which we bask
An empire not seen in the past
Divinity

A way to carry on
Pack of the wild dogs
Belief that two are one
Blood in the sense so true
Death of the honor due
Festival of Mu
A way to carry on
Pack of wild dogs

Land tides to raise the sunken span?
Atlantis sees a coming land
Rome shall be
Growth the dirt unto apore a plant
Adopt a populace who can't
Divinity

A way to carry on
Pack of wild dogs
Belief that two are one
Brothers of the end the two
A way to carry on
Pack of wild dogs
Belief that two are one
Death of the honor due
