... traveling, shifting ... into the eyes
...I will live ... it's killing, the...
Return tomorrow out here, ... and the ...
We ...the eyes and just a ...to nothing waste
She roamed over reflecting taste
Blood ... trail into the place
... take you away, ... into the eyes
...all you hate, ... change
Spirit try to rise... expose, ... my face
We ...the eyes and just a ...to nothing waste
...start to ...waste
She roamed on the ... to taste
Blood ... trail into the place

... we on,
Only hour that's ...
Time traveling,...into the light
Between tomorrow... broke, and to ...
the eyes ... and just a dream
past the tomb and ...
She roamed over reflecting taste
Blood ... trail into the place.
