[All] Oeeeeh
Alright, Alright here we go

[All] Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for each other every time
Together, together, come on let's do this right

[Troy] Here and now it's time for celebration
I finally figured it out [yeah yeah]
That all our dreams have no limitations
That's what it's all about

Come On now

[Gabriella]Everyone is special in their own way
We make each other strong [Each other strong]
We're not the same
We're different in a good way
Together's where we belong

[All] We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

Everybody now!

[All] Together, together, together everyone
Together, together, come on let's have some fun
Together, we're there for each other every time
Together, together, come on let's do this right

[Ryan]We're all here [Yeah]
and speaking out in one voice
were going to rock the house [Rock the House]

the party's on now everybody make some noise
come on scream and shout

[Sharpay]we've arrived because we stuck together
champions want it all

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

We're all in this together
When we reach
We can fly
Go inside
We can make it
We're all in this together
Once we see
Theres a chance
That we have
And we take it
Wild cats sing along
You know really going on
Wild cats in the house
Everybody say it now
Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Lets get to it
Time to show the world

We're all in this together (gabriella aaaaah)
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

We're all in this together
When we reach
We can fly

Go inside
We can make it
We're all in this together
Once we see
Theres a chance
That we have
And we take it

[All]Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone
