Take my hand
Take a breath
Pull me close
And take one step
Keep your eyes
Locked on mine
And let the music be your guide.

Won't you promise me (Now won't you promise me)
That you'll never forget (We'll keep dancing)
To keep dancing
Wherever we go next

It's like catching lightning
The chances of finding someone
Like you
It's one in a million
The chances of feeling the way
We do

And with every step together
We just keep on getting better

So can I have this dance? (Can i have this dance?)
Can I have this dance?

Take my hand
I'll take the lead
And every turn
Will be safe with me
Don't be afraid
Afraid to fall
You know I'll catch you through it all

And you can't keep us apart (Even a thousand miles
can't keep us apart)
Cause my heart is where ever you are (Cause my heart
is where ever you are)

It's like catching lightning

The chances of finding someone

Like you
It's one in a million
The chances of feeling the way
We do

And with every step together
We just keep on getting better

So can I have this dance? (Can i have this dance?)
Can I have this dance?

Oh,
No mountain's too high
And no ocean's too wide
Cause together or not
Our dance won't stop

Let it rain, let it pour
What we have is worth fighting for
I know I believe
That we were meant to be,
Yeah,

It's like catching lightning
The chances of finding someone
Like you (Like you)
It's one in a million
The chances of feeling the way
We (way we do) do

And with every step together
We just keep on getting better

So can I have this dance? (Can I have this dance?)
Can I have this dance?

Can I have this dance?
Can I have this dance?
Can I have this dance?
