Hey..oh..play ball...
ooo...ooo...ooo...
hey,hey,oh
hey batter batter,hey batter batter,swing!
i've got to just do my thing
hey batter batter,hey batter batter,swing!
I'll show you that it's one and the same
baseball,dancing..same game
it's easy
step up to the plate...start swingin'
i wanna play ball and that's all
this is what what i do
it ain't no dance that you can show me
hey,hey,hey
yeah
you'll never know
oh,i know
if you never try
there's just one little thing..
stops me every time...yeah
c'mon

i dont dance
i know you can
not a chance
no
if i can do this,well you can do that
but I don't dance
hit it out of the park

I don't dance
I say ya can
There's not a chance
Oh
