Lately I've been thinking about the things that we've
been through
And I don't know if I'd be here if not for you
I had to take a little time to try to work things out
And you should know that I had never meant to let you
down

Cause I, I wanna tell you
That im sorry and I, I

Even when i'm not giving enough and i'm taking too
much
Your still there for me
Even when I got nothing at all and im ready to fall
Your still there for me

Even when I cant be there for you
Your always there for me

Sometimes I know I can be so hard to understand, it is
ok
Even when I'm lost you show me who i really am
Life with me hasn't always been an easy ride
But because of you ive learned to lose my selfish pride

Cause I, I wanna tell you
That im sorry and I, I

Even when i'm not giving enough and i'm taking too
much
Your still there for me
Even when I got nothing at all and im ready to fall
Your stgill there for me

Even when I cant be there for you
Your always there for me

Oh, no, its love, oh
It must be love, oh
It's gotta be real love
It's gotta be real love, real love

Even when i'm not giving enough and i'm taking too
much
Your still there for me
Even when I got nothing at all and im ready to fall
Your stgill there for me

Even when I cant be therre for you when i cant be there
for you
Even when I cant be there for you
Your always there for me
