Guess now it's official.
Can't back out, can't back out
No

Gettin' ready for the night of nights,
The night of nights alright.

Don't panic
Panic.
Now do we have to dress up for the prom
Dude I don't think we have the choice.

Yeah it's the night of all nights
Gotta look just right,
Dressing to impress the boys.

Do I wear classic or vintage or plaid,
Where's the mirror?
I think this tux is too baggy, too tight
It makes me look wierd.

Should I go movie star?
Glamorous, sassy or sweet?
I don't know but no one better wear the same dress as
me.

It's the night of our nightmares
It's the night of our dreams
It's too late to back out of this
Hey, makeovers massages
Don't know what a crossage is?
Been waiting all our lives for this.

It's gonna be a night
Can't wait,
To remember,
Oh man,
Come on now big fun, alright!
It's gonna be the night,
I guess,
To last forever,

Lucky us,
We'll never ever ever forget.

Gettin' ready
(Get ready)
Get gettin' ready ready,
(Get ready)
Gettin' ready, get gettin' ready.

Hey you've been in there an hour man!
So what should I do with my hair?
Where's my shaver?
Oh I love it.
I look like a waiter.
Should I fluff it?
It's getting later already should be there.

Her mother opens the door
I'm shaking inside.
He's here, it's time, the hours arrived
Don't know why her fathers staring me down.
Where's my purse lip gloss now I'm really freaking out.

Then something changes my world,
The most beautiful girl right in front of my eyes.

It's gonna be a night
Oh yeah
To remember
That's for sure
Come on now, big fun.
Alright!
It's gonna be a night
Here tonight
To last forever
For evermore
We'll never ever ever forget.

Who's that girl?
She's so fine
Who's that guy?
I don't recognise
Who's that girl?
She looks so good yeah,
Guess you never really notice
But you probably should

Big fun,
On the night of nights
Alright
The night of nights tonight

Lets dance
On the night of nights
You know we're gonna do it right

It's gonna be the night
To remember
It's gonna be the night
To last forever
It's gonna be our night
To remember
It's gonna be the night
To last forever
(Forever)

It's gonna be a night
Oh you know it
To remember
For all time
Come on now, big fun
To remember
It's gonna be the night
We love it
To last forever
The rest of our lives
We'll never ever ever forget

It's gonna be a night
Oh yeah
All together
Say it loud
Come on now everyone
That's right
It's gonna be a night
Here tonight
To remember
Hear the croud
And never ever never ever never ever ever never
ever never never ever ever forget!
