## Verse 1:

Everybody's always talking at me  
Everybody's tryna get in my head  
I wanna listen to my own heart talking  
I need to count on my self instead

## Hook 1:

(Don't you ever) lose yourself to get what you want  
(Don't you ever) get on a ride then wanna get off  
(Don't you ever) push away the ones you should have  
held close  
Did you ever let go?  
Did you ever not know?

## Chorus:

I'm not gonna stop  
That's who I am  
I'll give it all I got that is my plan  
When I find what I lost  
You know you can  
Bet On It, Bet On It, Bet On It, Bet On It ( on me)  
I'm gonna make it right  
That is the way  
To turn my life around  
Today is the day  
Am I the type of guy that means what I say?  
Bet On It, Bet On It, Bet On It, Bet On It

## Verse 2:

How will I know if there's a path worth taking  
Should I question ever move I make  
With all I've lost my heart is breakin'  
I don't wanna make the same mistake

## Hook 2:

(Don't you ever) doubt your dream will ever come true  
(Don't you ever) blame the world and never blame you  
(I would never) try to live a lie again  
I don't wanna win this game if I can't play it my way

## Chorus:

I'm not gonna stop that's who I am (who I am)

I'll give it all I got that is my plan (that's my plan)  
When I find what I lost  
You know you can (know you can)  
Bet On It, Bet On It, Bet On It, Bet On It ( bet on me)  
I'm wanna make it right  
That is the way  
To turn my life around  
Today is the day  
Am I the type of guy that means what I say?  
Bet On It, Bet On It, Bet On It, Bet On It

To see yourself and not reconize your face  
Out on my own it's such a scary place  
Ohhhh the anwsers are all inside of me  
All I gotta do is believe

I'm not gonna stop  
Not gonna stop till I get my shot
