woo!

Sometimes I walk a little faster

In the school hallway

Just to get next to you

Some days I spend a little extra

Time in the morning

Just to impress you

Guess you dont notice

Guess you dont need to

Sad you're not seein

what you're missin'

On the outside shyin' away

On the inside dyin' to say

Chorus:

I'm unusual

Not so typical

Way too smart to be waiting around

Tai chi practices

Snowboard champion

I could fix the flat on your car

I might even be a rockstar

I might even be a rockstar  
Sometimes I wish when the phone rings  
That it would be you  
Sayin' let's hang out  
Then you confess  
That there's something special between us  
Why don't we find out  
But you don't even know me  
Guess you don't need me  
Why you're not seein' what you're missin'  
On the outside shyin' away  
On the inside dyin' to say

Chorus:

I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practices  
Snowboard champion  
I could fix the flat on your car  
I might even be a rockstar (a rockstar)

Bridge:

If you only knew the real me  
I might even be a rockstar  
I'm telling you that we are meant to be  
Now wouldn't it be nice if you could see

That I really am a rockstar  
Yeah yeah  
Yeah I really am a rockstar  
Hey Hey Hey!  
Woo!  
Ha! A rockstar  
I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practices  
Snowboard champion  
I could fix the flat on your car  
Rockin it wherever we are  
yeah yeah  
Cuz I really am a rock star  
Cuz I really am a rock star  
I am a rockstar  
Wao oh oh  
Yeah  
Goodnight Everybody!  
Thanks to jess
