Ryan:

I got a lot of things  
I have to do  
All these distractions  
Our future's coming soon  
We're being pulled

Ryan & Kelsi

A hundred different directions

Ryan

But whatever happens

Ryan & Kelsi

I know I've got you

Ryan

You're on my mind  
You're in my heart

Ryan & Kelsi

It doesn't matter where we are

Ryan

We'll be alright  
Even if we're

Ryan & Kelsi

miles apart

Chorus

Ryan & Kelsi

All I wanna do  
Is be with you, be with you  
There's nothing we can't do  
Just be with you, be with you  
Only you  
No matter where life takes us  
Nothing can break us apart (You know it's true)

I just wanna be with you

Troy  
You know how life can be  
It changes overnight

Troy & Gabriella  
It's sunny then raining  
But it's all right

Gabriella  
A friend like you

Troy & Gabriella  
Always makes it easy

Troy  
I know that you get me

Troy & Gabriella  
Every time

Through every up, through every down  
You know I'll always be around  
Through anything you can count on me

All I wanna do  
Is be with you, be with you  
There's nothing we can't do  
Just be with you, be with you  
Only you

No matter where life takes us  
Nothing can break us apart (You know it's true)

I just wanna be with you... I just wanna be with you
