Lately I've been  
Thinking 'bout  
The things that  
We've been through

And I don't know  
If I'll be here  
If not for you

I had to take  
A little time  
To try to work  
Things out

And if you know  
That I have never  
Meant to let you down

Cause I, I wanna tell  
You that I'm sorry  
And I, I

Even when I'm not  
Giving enough but I'm  
Taking too much  
You're still there for me

Even when I've got  
Nothing at all  
And I'm ready to fall  
You're still there for me  
There for me  
There for me

Even when I can't  
Be there for you  
You're always there  
For me

Sometimes I know  
I can be so hard  
To understand

(It's okay)

Even when I'm lost  
You show me  
Who I really am

Life with me  
It hasn't always been  
an easy ride  
(Ohh ohh)

But because of you  
I learned to lose  
My selfish pride

Cause I, I wanna tell  
You that I'm sorry  
And I, I

Even when I'm not  
Giving enough but I'm  
Taking too much  
You're still there for me

Even when I've got  
Nothing at all  
And I'm ready to fall  
You're still there for me  
There for me  
There for me

Even when I can't  
Be there for you  
You're always there  
For me

Yeah, wooaa oh, no  
It's love. Oooh. Woaah  
Must Be love  
Oooah woah,  
It's gotta be real love  
It's gotta be real love  
Real love...

Even when I'm not  
Giving enough but I'm  
Taking too much  
You're still there for me

Even when I've got  
Nothing at all

And I'm ready to fall  
You're still there for me  
There for me  
There for me

Even when I can't  
Be there for you (ooh)  
When I can't be there  
Even when I can't  
Be there for you  
You're always there  
For me...
