Oooooo, oooooo, ooooo

I guess I should've known better  
To believe that my luck could change  
(luck could change) ooo  
I left my heart out forever  
Finally learn each others names  
(Each others name)  
I tell myself this time  
It's different  
No goodbyes cuz I  
Can't bear to say it  
I'll never survive  
The one that's coming  
If I stay, oh no

[ Chorus: ]  
Just walk away ooh  
And don't look back  
Cause if my heart breaks it's gonna  
Hurt so bad  
You know I'm strong  
But I can't take that  
Before it's too late  
Ooh just walk away

Walk, walk, walk away,  
Ooh just walk away  
Walk, walk, walk away  
Aye-aye yeah

I really wish I could blame you  
But I know that it's no one's fault  
(No one) no no no no ooh

A Cinderella with no shoe  
And a prince that doesn't know he's lost  
(Know he's lost)  
This heaviness feels so familiar  
Each goodbye with just the same old song  
But this time I will not surrender  
Cause I'm gone

Ooh yeah!

[ Chorus: ]

Just walk away ooh  
And don't look back  
Cause if my heart breaks it's gonna  
Hurt so bad  
You know I'm strong  
But I can't take that  
Before it's too late  
Ooh just walk away

Walk, walk, walk away,  
Ooh just walk away  
Walk, walk, walk away  
(Whoooa)  
Just walk away

I've got to let it go  
(Ooh)  
Start protecting  
My heart and soul  
Cause I don't think I'll survive  
A goodbye again  
Not again!

[ Chorus: ]

Just walk away ooh  
And don't look back  
Cause if my heart breaks it's gonna  
Hurt so bad  
You know I'm strong  
But I can't take that  
Before it's too late  
(Ooh before it's too late)  
Ooh just walk away

(Walk, walk, walk away)  
Walk away walk away  
Yeeaah  
(Walk, walk, walk away)  
Walk away walk away  
All right!  
(Walk, walk walk away, yeah, walk away! )  
Walk away walk away  
(Oh walk walk walk away)  
Walk away walk away  
Ooh, ooh
