Troy:

There is a path not far away  
Where we'll find ourselves at crossroads,

Troy & Gabriella:

We can all join hands, and go one way

Gabriella:

Or we can chase down our dreams  
As the final song closes.

Chorus:

For all these years  
We've stood together,  
Friends forever  
Now we are gunna move on  
The future is our divide,  
But our friendship  
It will never end.  
Let's hold hands one more time,  
Enjoy the night,  
Enjoy the memory  
For it will never end.

Sharpay:

In years from now,  
I'll walk down the road,  
See your face

Sharpay & Ryan: The memories and laughter

Ryan: The happiness will come flooding back,  
For this is what made us strong.

Chorus:

Chad:

We're players one and player's all,  
Fighting against our greatest rival,

Chad & Taylor:

The unknown destiny of our lives,

Taylor:

It doesn't matter how many falls it takes,  
What matters is that we can get up again.

Chorus:

Zeke:

Another day down,  
But so many more to come

Jason:

What's been was a warm up for what's to come,

Martha:

We'll party until the sun rises again

Kelsi:

Write the lyrics to the next day's song.

Tiara:

I'll take your footsteps as a direction

Jimmie:

But I know to walk on my own feet

Donnie:

Just wait and see, watch what we'll do.

Chorus:

Troy & Gabriella:

The curtain closes one last time,

Sharpay & Ryan:

We'll embrace each other once more

Chad & Taylor:

Then we're ready to say goodbye

Zeke, Jason, Martha & Kelsi:

And we know deep down...

Sharpay & Ryan:

That it will never end.

Chad & Taylor:

That it will never end.

Zeke, Jason, Martha & Kelsi:

That it will never end.

Troy & Gabriella:

That it will never end.

All:  
We know now,  
Don't need a second thought,  
It will never end
