"Without You"

I'm walking sadly in the street
I'm just thinking of you
I don't know your feeling How do you think of me?
Watching you being immersed in trying it
Watching your face from the side
I wanna be beside you all the time
I don't want to lose you

Without loving, don't let me go
Without loving, don't let me go
Without loving, don't let me go
Hold me tight, hold me tight
Without loving, don't let me go
Without loving, don't let me go
Hold me tight, hold me tight

You and I are walking in the street
I'm just thinking of you
Do you care about me so well? I don't think so
Plenty of my time spending with you is just
My joy and I feel happy
I wanna be beside you all the time
I don't want to lose you

Without loving, don't let me go
Without loving, don't let me go
Without loving, don't let me go
Hold me tight, hold me tight
Without loving, don't let me go
Without loving, don't let me go
Hold me tight, hold me tight

There is hard time there is sad time
There is scary time
People are lonely lives
There is good time there is glad time
We spent so long time together
All the memory is in my heart

Without loving, don't let me go
Without loving, don't let me go

Without loving, don't let me go
Hold me tight, hold me tight
Without loving, don't let me go
Without loving, don't let me go
Hold me tight, hold me tight
