You're going down...  
 Psycho. Stimulating. Speed of sound. See the town  
 Friends call me Benz. Recommends, fun to be around.  
 Life of the party. All cylinders, engines spark.  
 Knife in the water. God, I'll keep your  
 edges sharp.  
 Raise your game, everybody will praise your name.  
 Land of the lost boys lays your claim.  
 Straight razor. You owe me a favor. Good behavior.  
 Universal. Curse in me. I'm your  
 personal saviour.  
 Stormy. Climb the walls for me. Back flip.  
 Cracked whip. Think fast, react quick. Ass kicked.  
 Drastic measures. Plastic treasures. Fools' gold.  
 Too cold. Breaking down, pouring a new mold.  
 Might spoil. Wrap it in a skin tight foil.  
 Screws turn in me. Burn in me the  
 midnight oil.  
 Hand-eye coordinated. Keep moving. Kinetic.  
 Unsympathetic, sensational, synthetic.  
 Stay on your toes. Next morning, lay in your clothes.  
 Dominate. Terrorize. Prey on your foes.  
 Eat 'em alive. Cheat and survive. Cap the  
 night  
 Gentlemen. Then again, I'll ruin your  
 appetite.  
 Buck wild! Mule kick! Cruel trick. Ten  
 speed in me.  
 Breathing heavy. Leaving every ten cent pen bleeding.  
 You can count on me. We're bound to be  
 best friends.  
 The stress ends. Any time you need a lift, request  
 Benz...  
 You're going down...  
 (Cadence Weapon)
