most people are curious  
some wanna get dirt on  
the centaur im famous  
I walk around with not shirt on  
the easiest way would be for you to lie face down  
i'm a man  
but im built like a horse from the waist down

people are afraid of me  
but act like they love me  
feist your eyes upon my nudity  
I am beauty and the beast  
I have plenty to say but nobody listens  
because my cock is so big  
and the end of it glistens

so im famous for it  
freaky is what everyones name is  
for shorts larger than yours  
i'm a centaur for christ sakes  
I like to eat rice cakes  
and listen to classical music  
im told passion is my specialty  
but really im old fashion

and i'm quite well built  
as far as physiquess go  
so people seem to think  
that I belong in a freak show  
they wanna have pictures taken  
constantly assuming  
that my sex drive is three times that of a normal human  
asking silly questions  
like im their personal mentor  
all they care about is my big dick  
cause im the centaur  
the porno industry wants to pay me lots of money  
to appear in books and movies  
cause they think I look funny  
but i'm looking for true love  
not groupies and freaks  
more than a huge cock

I have a complicated mind  
i'm not the favorite kind of companion  
for the average person  
sometimes things start well but eventually worsen  
when sex becomes a problem  
or else their unimpressed  
with the attention that you get  
being a centaurs love interest  
you dont care about my next life  
just my ex wife  
and the intimate details of our sex life  
most people are curious  
some wanna get dirt on  
the centaur im famous  
I walk around with not shirt on  
the easiest way would be  
for you to lie face down  
i'm a man  
but i'm built like a horse from the waist down

so handsome  
known to throw a tantrum  
quick on the draw  
got a job pullin' a rickshaw  
rock star talkitive talented provocative  
awkward socially unusualy emotional  
way out of proportion  
my heart is the warmest  
unfortunatly for me  
my private part is enourmous  
more so than normal  
i'm also an authority  
and all sorts of important stuff  
morally the centaur  
historically horrible  
adorable not exactly  
im magically attractive  
drasticly indowed  
rocket powerd cock unit  
none allowed talking about it  
dont even look at me sideways or crookedly  
i'm crotchety in more ways than one  
i'm macho  
watch out now im fury and furious

most people are curious  
some people wanna get dirt on the centaur

most people are curious  
some wanna get dirt on  
the centaur im famous

I walk around with no shirt on  
the easiet way would be  
for you to lie face down  
im a man  
but im built like a hourse from the waist down
