(We don't need to watch TV tonight)

This is for us, us and not for anybody else
And this is for us, not for the underground, hip-hop
fans
Nah, this is for us

This ain't for b-boys, raff-writers, deejays and emcees
Or any of them, 'cause, uh
This is for us

Not for the vinyl-buying, breakbeat collectors
With dirty fingertips and notebooks
This is for us

And this is for us, not for the students and historians
either
'Cause this is for us
'Cause this is for us, the Arch, Buck 65, the Has, the
Slam, DJ Critical
Stinkin' Rich, Uncle Climax, Achilles, Jesus Murphy, and
Johnny Rockwell

This is for us
Not for Canadians, and not for Americans
Not even for earth, this is only for us
This isn't for you, this is for us, this is for us

This isn't for sale and damn sure ain't free, this is for
us
This is for us, not for anybody else, this is for us

Mix and match some fix-it tracks with clicks and cracks,
The shit's like burning candles, just a whole lot of wicks
and whacks
And I don't give a fuck for battles between the coast
guard
I'm sayin' both be on some weak-ass shit, for the most
part
Ya take a whole lot of groups that are mostly phonies
such as

Seventy-five to eighty percent of the shit that Tony
touches
Sometimes I want to cry because I'm sick of this daily
vomit
And somethin' dope comes along about as often as
Halley's Comet

(Eliminate the whack, and see that's the objectives)
