The sky was blue, high above
The moon was new, so was love
This eager heart of mine is sayin'
Lover come back to me
You came at last
Love had its day
That day is past
You've gone away
This lonely heart of mine is sayin'
Lover, please, come back to me

I remember every little thing
You used to do
I'm so lonely
Every road I walk along
I walk along with you
No wonder I'm so lonely

The sky was blue
The night was cold
The moon was new
But love was so
And while I'm waiting here
This heart of mine is sayin'
Lover come back to me

The sky was blue
The night was cold
The moon was new
But love was so
And while I'm waiting here
This heart of mine is sayin'

Lover come back to me

You came at last
Love had its day
That day is past
You've gone away
This lonely heart of mine is sayin'
Lover come back to me

I remember every little thing
You used to do
I'm so lonely
Every road I walk along
I walk along with you
No wonder I'm so lonely

The sky was blue
The night was cold
The moon was new
But love was so
And while I'm waiting here
This heart of mine is sayin'
Oh oh oh oh lover
Oh oh oh oh lover
Lover come back to me
Oh oh oh oh lover
Oh oh oh oh lover
Lover come back to me!
