To you my heart cries out "perfidia"
For I found you, the love of my life,
In somebody else's arms
Your eyes are echoing perfidia
Forgetful of our promise of love,
You're sharing another's charms
With a sad lament, my dreams
Have faded like a broken melody;
While the gods of love look down and laugh
At what romantic fools we mortals be
And yet I know my love was not for you
And so I'll take it back with a sigh,
Perfidious one, good-bye.

[instrumental interlude]

With a sad lament, my dreams
Have faded like a broken melody;
While the gods of love look down and laugh
At what romantic fools we mortals be
And yet I know my love was not for you
And so I'll take it back with a sigh,
Perfidious one, good-bye.
Good-bye!
