Are You Still Mine

Paulette Tenae Carson

Darlin' what did she say when you were alone  
All week long you've been actin' strange  
Talkin' to her on the phone  
Has she gotten' through to you  
Got you believin' I'm no good  
What did she say or do  
To make you act so cruel

Tell me according to her do I cheat, do I lie  
And do you believe her  
Even some of the time  
And the love you've given to me  
Is it still mine to keep  
Or has she taken that too  
Along with your sanity

My darlin' don't you still love me  
Or have all the words she said  
Changed your mind

Have you been so misled  
Has she gotten you in her bed  
Oh my darlin' are you still mine

Tell me what will we do  
When she's had her fun  
When she's stolen our love away  
And it's gone like a thief on the run  
And when it's too far gone  
To ever get it back  
What will you say or do  
To ease the loss we've had

My darlin' don't you still love me  
Or have all the words she said  
Changed your mind  
Have you been so misled  
Has she gotten you in her bed

Oh my darlin' are you still mine

Oh my darlin' are you still mine
