Good Goodbye

Paulette Tenae Carlson/Bob DiPiero/Pat McManus

It was more than I could do to try to get it through  
That I needed his affection  
He'd just sit around at home with his buddies on the  
phone  
And we never made connections  
Now I'm gonna take a break from all this shake-and-  
bake  
Someone else can take it over  
There ain't no better time for startin' over

This is a good goodbye  
I ain't feelin' guilty 'cause I done the right thing  
It's a good goodbye  
I got my radio up and I'm startin' to sing  
I'm drivin' this car just as fast as I can  
Runnin' with the wind startin' all over agin  
I ain't thinkin' twice 'bout that no account man  
It's a good good good goodbye

Somewhere between the news and Sunday sports  
reviews  
He'll find that I am missin'  
And he'll think that I've gone to Marge's hair salon  
But this time -- I'm goin' fishin'

And somewhere in the night when I don't turn out the  
light  
He's gonna see the truth  
He's gonna know that we are through

This is a good goodbye  
I ain't feelin' guilty 'cause I done the right thing  
It's a good goodbye  
I got my radio up and I'm startin' to sing  
I'm drivin' this car just as fast as I can  
Runnin' with the wind startin' all over agin  
I ain't thinkin' twice 'bout that no account man  
It's a good good good goodbye

This is a good goodbye  
I ain't feelin' guilty 'cause I done the right thing  
It's a good goodbye  
I got my radio up and I'm startin' to sing  
I'm drivin' this car just as fast as I can  
Runnin' with the wind startin' all over agin  
I ain't thinkin' twice 'bout that no account man  
It's a good good good goodbye

This is a good good good good bye
