"Double Dare"

I dare you to be real
To touch to touch a flickerring flame
The pangs, the pangs of dark delight
Don't cower, don't cower in night fright

Don't back away just yet
From destinations set

I dare you to be proud
To dare to shout aloud
For convictions that you feel
Like sound from bells to peal

Don't back away just yet

From destinations set
I dare you to be proud
To dare to shout aloud
For convictions that you feel
Like sound from bells to peal

I dare you to be real
To touch to touch a flickerring flame
The pangs, the pangs of dark delight
Don't cower, don't cower in night fright

I dare
I dare
I dare you-you-you
