Irregular current air
Delusion it seems
Infinite unending
You are lost in a dream

Spreading
The sweetest perfume

Look as though you're always
Hallucinating
Blooming monster flower
Turn into a trap

Enticing
The essence of delight

Hope at least in many ways
You will never realize
Desolated crack in time
I'll mend it, mend it, ah ah
Look above and pray for time in order
A vision, just dreaming, oh oh

Irregular current air

Delusion it seems
Infinite unending
You are lost in a dream

Enticing
The essence of delight

Hope at least in many ways
You will never realize
Desolated crack in time
I'll mend it, mend it, ah ah

Broken melody waiting
Make it whole back to one
Whispers voices encircles you
The whispers, the voices, ah ah

Look above and pray for time in order
A vision, just dreaming, oh oh

So at least let it as is right now.
