Hello daily life
I don't want to fight today
I surrender
I'll put my toys away
No aliens came
I lost my little light
It was so well explained
Now I'm getting older as I write

What's that sound?
What's that light?
What's that sound?
Missing in action
What's that light?
Missing in action

Lost in the last attack
Lost in the last attack
Lost in the last attack
Lost in the last attack

One childhood
The little kid retired
He surrendered
His parking space expired
Wave bye-bye
Ghost writer in the sky
He'll see you soon
Now I'm getting older as I write

What's that sound?
What's that light?
What's that sound?
Missing in action
What's that light?
Missing in action

Lost in the last attack
Lost in the last attack
Lost in the last attack
Lost in the last attack
