Verse 1:(Kris Kristofferson)

I'm gonna steal a silver stallion,with not a mark upon  
his silky hide  
Teach him he can trust me like a brother,one day we'll  
saddle up and ride

Chorus:(All together with the lead voice of Johnny Cash)  
And we're gonna ride,we're gonna ride  
Ride like the one eyed jack of diamonds with the devil  
close behind  
We're gonna ride

Verse 2:(Waylon Jennings)

I'm gonna find me a reckless woman,razor blades and  
dice in her eyes  
Just a touch of sadness in her fingers,thunder and  
lightening in her thighs

Chorus.

Verse 3:(Willie Nelson)

I'm gonna chase the sky forever,with the woman and  
the stallion and the wind  
The sun is gonna burn into a cinder,before we ever  
pass this way again

Chorus.
