Youkoso koko e asobou yo paradise
Mune no ringo multe

Otona wa mienai shakariki koronbusu
Yume no shima made wa sagasenai

Sora wo hoshigaru kodomo tachi
Samishisou dane sono hitomi ah tsuite oide
Shibonda mama no fuusen ja
Umi no hirosa wo hakarenai ah mashite yume wa
tobasenai
Suutsukeesu no naka ni
Ai no kotoba wo kakete irete yukou

Gokigen ikaga hashagou yo paradise
Kokoro no kasa hiraki

Otona wa mienai shakariki koronbusu
Yume no shima made wa sagasenai

Uso janai yo iki wo tomete hitai ni hora
Kaze ga nukeru shiitsu wa sawagidasu
Beddo wa mou kisha ni natte ginga yuki no
Beru ga nareba yume wa tomaranai doko mademo

Shirukuroodo wa hibiku
Fue no neiro wo manete kaze wo kiru

Youkoso koko e asobou yo paradise
Mune no ringo multe

Otona wa mienai shakariki koronbusu
Yume no shima made wa sagasenai

Gokigen ikaga hashagou yo paradise
Kokoro no kasa hiraki

Otona wa mienai shakariki koronbusu
Yume no shima made wa sagasenai
