ChikiChunkuChunkuChinkiBooBoo

there is no reason to see you
ive got lots of stuff to do
there is no reason to call you everyday
ive got a phone bill that is hitting the ceiling and its
bugging me

there is no love that won't change eternity
insecurity makes me stronger
i wont tell anyone about us
hey,im not a little kid anymore

there is no freeway without the exit
you could choose someone else
its funny even when im hurted while im with you
im back for more
i might be addicted to you
can't stop addted to the the shin dig ha!
but days are cold without you
i wanna see you everyday
what am i gonna supposed to do?
now im trying to find the woman in me
but i can't seem to find a trace
oh baby (oh baby)
i might be addicted to you

there is no reason to want each other so bad
needing to wear cover-up sometime
i called up in the middle of the night
just to find out that your not there
wanna make a call again
just to feel your voice messege
im in love with you
i know you want me too

i won't tell and its not because i can't

a story of tears
everytime you doubt me
i love you more

i might be addicted to you
all my friends got something to say
it all sounds same
they kinda think they need reason to say

but this is getting out of control
i wanna see you everyday
should i tell him how i feel inside?
i want you to hold me more than kissing
dont stop
oh baby (oh baby)
i might be addicted to you

yeah yeah oh oh...

i miss you while your not here,
i want you more while im with you
both gets me feel so crazy
i want you to hold me more than kissing-
