Hello, my name is Utada
Like ladi, dadi, dadi, da
For your information
I am here to take you higher

Do you like the way I shine?
Like freshly cut sapphire
Music is my business
And I'm here to pour it on you

When I like it, I don't hide it
Got to have it, I can't help it
It's automatic

Ripe and ready, call me crazy
Got to love it and you know it
It's automatic, it's automatic, it's automatic

I can't help it, it's automatic, it's automatic
When I like it, I don't hide it
It's automatic, it's automatic, it's automatic

When I see a microphone, I gotta get it up
Capricorn, Aquarius with a good sense of humor
Find out more about me on MySpace and my newsletter
I'll be glad to add you but I won't give you my number

Philanthropic, diabolic, so melodic
I can't help it, it's automatic
Vodka tonic, telefunken, contraceptive
When I'm on it, it's automatic, it's automatic
It's automatic

I can't help it, it's automatic, it's automatic
When I like it, I don't hide it
It's automatic, it's automatic, it's automatic

Indian, Pacific, Arctic, and Atlantic Oceans
You can be my captain and I'll be your commander
Do you like the way I rhyme, it's pretty darn clever
Used to be a virgin, now I'm with Island Def Jam

It's automatic, it's automatic, it's automatic
It's automatic, it's automatic, it's automatic
