Kiley Dean

I've been thinking 'bout us

Utada

And the things we've been through

Kiley Dean

It's time we got serious

Utada

You know I would like to

Kiley Dean

But we need to work out these issues,  
Before they get out of hand

Oh yeah, oh yeah

I know we've been fussin' and arguin'

But the fact is

Unity is a good thing

It took a while for me, but now I see

Utada

Though some will love you,  
That same will hate you  
Sometimes they'll scream and curse you out  
Just try to chill and ride it out

Kiley Dean & Utada

But it's official, when I'm against you

Kiley Dean

(I'm in love)

Kiley Dean & Utada

And I feel it's wrong, more in spite  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side

Utada  
I've been looking at our history  
Things ain't changin' but they need to be  
Where do we start?  
Seems like it's gone too far  
Can't we just try to work it out?

Kiley Dean & Utada  
Oh yeah, oh yeah  
I know we've been fussin' and arguin'

Utada (Kiley Dean)  
But the truth is  
Unity is a good thing  
It took some time for me, but now I see

Though some will love you  
That same will hate you  
Sometimes they'll scream and curse you out  
Just try to chill and ride it out (Sometimes I chill and  
ride it out)

Kiley Dean & Utada  
But it's official, when I'm against you  
And I feel it's wrong, more in spite  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side

Kiley Dean & Utada  
I'm so sorry I treated you so bad  
But I didn't realize what a friend I had  
I apologize, wish I could take it back

Utada (Kiley Dean)  
Though some will love you (Sometimes I loved you)  
That same will hate you (Oh yeah)  
Sometimes they'll scream and curse you out  
Just try to chill and ride it out (Sometimes I chill and  
ride it out)

Kiley Dean & Utada  
But it's official, when I'm against you  
And I feel it's wrong, more in spite  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side  
I would rather be by your side

I would rather be by your side  
I would rather be by your side
