\* Tumbling Tumbling  
Can't you see that I will be your ecstasy  
Tumbling Tumbling  
Can't you hear me whisper to your fantasy  
Tumbling Tumbling  
Can' you see that I can be your remedy  
But if you go another way  
Then I might be your enemy  
Baby let me touch you  
Ai dake no ai de ii  
Let me be the one to leave you  
Tomorrow when I miss you  
Ano eien ni
