I want your baby
I want your baby

This umbrella unfortunately suits the night full of error
It hides my face streaked with tears.

Recently I get upset because he beats me all the time.
I'll use this chance to show him how I've grown.

I want your baby
I want your baby

If I blame someone else
That's still no less painful
I'll try crying for myself

I want your baby
I want your baby

Don't lie in wait,
Kick away this yesterday that comes back to haunt me.
Another day has passed me by
What can I do to reach you ?
A guilty conscience fills my heart to my throat.
The lack of bad intentions is a "fly in the ointment".

I never care about you, until you're not so important to
me.
My cheerful personality backfires.
I want your baby
I want your baby

I was lying in wait,
Kick away the me who would turn to look back.
Another day has passed me by
Let me go on ahead
I'm sorry.

There's a connection
So kick away the yesterday that comes back to haunt
me
Another day has changed my life

I'm at a selfish age
I'm sorry.
