Everyday my life's in shambles  
Since you took my love away  
I got nothing left to gamble  
I've thrown it all away

Now and then I'm suicidal  
Flirting with a new temptation  
Happiness inside a bottle  
Is what I need today

Oh, my lover has gone away, gone to Istanbul  
Light as a feather  
I lie on my bed and flip through TV channels  
Eating Godiva

I'm smoking my days away, reading old emails  
In my old pajamas  
What a day, me muero, muero, muero

Loneliness makes its arrival  
Depression starts to settle in  
Should I go Winona Ryder  
And do some crazy thing  
Now and then I'm suicidal  
Flirting with a new temptation  
Overdose or overreaction  
Call it what you may

Oh, my lover has gone away, gone to Istanbul  
Light as a feather  
I lie on my bed and flip through TV channels  
Eating Godiva

I'm smoking my days away, reading old emails  
In my old pajamas  
What a day, me muero, muero, muero

Only the good stuff, oh, my lover  
Smoking, smoking my days away  
What a day, me muero, muero, muero  
What a day

Doctor, doctor, will you give me my lover  
What a day, me muero, muero, muero  
Oh, my lover has gone away  
My lover has gone away

Smoking  
What a day, me muero, muero, muero
