He's my little lover boy  
He's my little lover boy

All it takes is just one simple kiss  
One simple kiss  
And you'd have me fallin' fallin' for you  
I don't know what to do  
I wanna be with you  
So don't you tell me that you have to go so soon

He's my little lover boy  
He's the one who brings me joy

Will you grant me just one simple wish  
A simple kiss  
Fulfill my dreams of all the joy you'd bring  
And when I see your smilin' face  
I wanna be with you  
So don't you hesitate  
I just can't wait  
I need your tender touch I really wanna say

He's my little lover boy  
He's the one who brings me joy

Show me baby  
What it takes to be yours  
Show me baby  
That you're my little lover boy  
Show me baby  
What it takes to be yours  
Show me baby  
That you're my little lover boy

He's my little lover boy  
He's the one who brings me joy
