On and on and on
On and on and on
On and on and on
On and on and on

I just wanna dance the night, the night away
Go ahead and make my day, Mr. DJ
Make the night go on and on
Make the night go on and on

Honeys, if you're gay
Burn it up, like a gay parade
Honeys, if you're straight
Pump it up, take it all away

Intoxicated, emancipated, unapologetic
Is what I am today, light me up

Make the night go on and on and on
You know we go on and on and on
Make the night go on and on and on
I'm living up my life until the day I die
Don't need a lullaby

On and on and on
On and on and on
On and on and on
On and on and on

Music got me sweating hard
I feel my heart
Thumping like an 808
Uh oh, okay

Make the night go on and on
If you want to mess with us
Make the night go on and on
Sink you with a counter punch

Honeys, if you're gay
Burn it up, like a gay parade
Honeys, if you're straight

Pump it up, take it all away
Intoxicated, emancipated, unapologetic
Is what I am today, light me up

Make the night go on and on and on
You know we go on and on and on
Make the night go on and on and on
I'm living up my life until the day I die
Don't need a lullaby

Intoxicated, emancipated, unapologetic
Intoxicated, emancipated, unapologetic
Is what I am today, light me up

Make the night go on and on and on
You know we go on and on and on
Make the night go on and on and on
You know we go on and on and on

Make the night go on and on and on
(Intoxicated, emancipated, unapologetic)
You know we go on and on and on
(Is what I am today, light me up)
Make the night go on and on and on
(Intoxicated, emancipated, unapologetic)
You know we go on and on
(Is what I am today, light me up)

On and on and on
(Intoxicated, emancipated, unapologetic)
On and on and on
(Is what I am today, light me up)
On and on and on
(Intoxicated, emancipated, unapologetic)
On and on and on
(Intoxicated, emancipated, unapologetic)
