My precious.
My Precious Love.
Once in my life.
Love's in my heart.
Touching your hand
Just takes me back again.
Close the door behind you.
I'm steppin' out for love.
Let me be the same as yesterday
You're the one I dream of .
So let me be your love again.
Precious Love.
I will do anything for your love
Precious love.
I will do anything for you.
Deep in my heart.
Longing for you.
I just can't wait
To have you back again.
Lookin' all around me.
For places you may be.
The loneliness I feel is day to day
I really need to see you.
And hold you in my arms again

Precious Love.
I will do anything for your love
Precious love.
I will do anything for you...
