In you and i there's a new land
angel's in flight
my sanctuary my sanctuary yeah
where fears and lies melt away
music will tie
what's left of me what's left of me now

i watch you fast asleep
all i fear means nothing

in you and i there's a new land
angels in flight
my sanctuary my sanctuary yeah
where fears and lies melt away
music will tie
what's left of me what's left of me
my heart's a battleground

you show me how to see
that nothing is whole and nothing is broken

in you and i there's a new land
angel's in flight
my sanctuary my sanctuary yeah
where fears and lies melt away
music will tie
what's left of me what's left of me now

my fears and lies
melt away
