

## Hikaru Utada "Sanctuary"

Visit "[Sanctuary](#)" on [MotoLyrics.com](http://MotoLyrics.com)

In you and I, there's a new land  
Angels in flight  
I need more affection than you know (reversed)  
My sanctuary, my sanctuary, yeah  
Where fears and lies melt away  
Music inside  
I need more affection than you know (reversed)  
What's left of me  
What's left of me now?

I watch you fast asleep  
All I fear means nothing  
In you and I, there's a new land  
Angels in flight  
I need more affection than you know (reversed)  
My sanctuary, my sanctuary, yeah  
Where fears and lies melt away  
Music inside  
I need more affection than you know (reversed)  
What's left of me,  
What's left of me?

(So many ups and downs)  
My heart's a battleground  
(I need true emotions)  
(I need more affection than you know)  
(I need true emotions)

You show me how to see  
That nothing is whole and nothing is broken  
In you and I, there's a new land  
Angels in flight  
I need more affection than you know (reversed)  
My sanctuary, my sanctuary, yeah  
Where fears and lies melt away,  
Music inside  
I need more affection than you know (reversed)  
What's left of me,  
What's left of me now?

My fears, my lies..  
Melt away

I need more affection than you know (reversed)
