Your giving me, too many things
lately, your all I need, you smiled at me
and said (and said, and said, and said)
Don't get me wrong I love you,
but does that mean I have to meet, your father,
when we are older you will understand
what I meant when I said
No, I don't think life is quite that simple.

When you walk away,
you don't hear me say
please, oh baby, don't go,
simple and clean
is the way that your
making me feel tonight,
it's hard to let it go.

The daily things
Like this and that and what is what
That keep us all busy
Are confusing me
That's when you came to me
And said, "Wish I could prove I love you,
but does that mean I have to walk on water?"

When we are older you'll understand
It's enough when I say so
And maybe
Some things are that simple

*Hold me,
whatever lies beyond this morning
is a little later on,
regardless of warnings,
the future doesn't scare me at all,
nothing's like before.

*Repeat
