It's all because of you
I'm feeling sad and blue
You went away
Now my life is just a rainy day
I love you so
How much you'll never know
You've gone away and left me lonely

Untouchable memories
Seem to keep haunting me
Of love so true
That once turned all my gray skies blue
But you disappeared
Now my eyes are filled with tears
Im wishing you were here with me

Soaked with love all my thoughts of you
Now that you're gone I don't know what to do

If only you were here
You'd wash away my tears
The sun would shine
Once again you'll be mine all mine
But in reality
Your love I will never be
Because you took your love away from me

If only you were here
You'd wash away my tears
The sun would shine
Once again you'll be mine all mine
But in reality
Your love I will never be
Because you took your love away from me
Ahhh baby
Because you took your love away from me
