"Take A Little While"

Take a little while to think things through.
Take a little while to make things true
We don't have to rush.
Like I said before.
When I told you you're the only boy that I adore
It doesn't mean I'm askin'.
For you to rush.
Don't rush.
Just wait.
Cause I want you to
I just can't explain.
This feeling.
Am I gonna gain respect or will it all be in vain
I'm waiting day and night.
for the answer.
Don't rush. Just wait.
I know this will last
there's not need to break my heart.
You've had my love from the very start.
Please wait
Take your time.
Don't you rush this love of mine
