Uh, Uh, Come on, yea!
Huh, Ohh, Mmm Mmmm
Wha'ch doin' tonight, Let's go for a ride!
Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru,
Ta ta ru
Oooh Woa!
Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru,
Ta ta ru

I'm a workaholic even on
Friday afternoons
Snatchin' up a taxi is easy, (and I jump right in)~
I've got my eye on you

The taxi driver looks to me and says "Where to?"
Oh, just kinda over there
"The bad economy's a problem (closing)
Please watch out for the door"

Riding on the wind, Climbing up to the moon
My place is here~ right next to you
The problem is it's hard to go home
Admire the dreamy spring night

Traveling, with you
Traveling, onward
Lighting up the asphalt ("In the asphalt, blazing up a
trail")
Traveling, where
Traveling, are you going?
To anywhere far

Traveling, beyond
Traveling, get down ("shake it")
Let the light shine away all your troubles
Traveling, let's fly now
Traveling, speed up
Even though we're not in a hurry

Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru,
Ta ta ru
Oooh Woa!

Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru, Ta ta ru,
Ta ta ru

There's a song and I want to sing it
Over and over again
So I can spur my feelings on until they won't stop
That's the plan

Partying with the waves, Thanking the clouds
I finally met you
Because we're young
Nothing more than dust blowing in the wind
Traveling, our hearts
Traveling, press closer
Now and forever let's abandon the usual
Traveling, this place is
Traveling, shabby
Our destination is not here.

Traveling, Your window
Traveling, open it
There's nothing to fear
Traveling, here
Traveling, all is well
Everything we've got is in our hearts

This is the time to dance and have fun
Don't hold it back tonight
The hidden wishes in your heart are gonna hurt you
Put up your hands and have some fun!
And why does
Some wariness remain

Traveling, with you
Traveling, still
In the asphalt, blazing a trail
Traveling, where
Traveling, are you?
The good times are about to begin

Traveling, let's fly now
Traveling, shake it
Let the light shine away all your troubles
Traveling, let's fly now
Traveling, speed up
I don't want to stop

Can you take me up?
You look quite good.
Can you keep it up?
I would like to.

Can you take me up?
You look quite good.
Can you keep it up?
Ohhao oa oooh ohh whoa oh ohhoa (Traaaaaveling)
Oh woa ohoa oha ohhh (Ohhhhhhh
Traaaaaveling)~~~~~
Don't stop now, Don't stop now, Don't stop now, oooh
whoa~~~~~
